

Yellowknife Golf Club Private Golf Cart Policy

The following private cart policy applies to all private golf carts, private cart owners and users of private carts at the Yellowknife Golf Club (YKGC).

The YKGC offers the privilege of private golf cart use and storage to a predetermined number of YKGC members each golf season. The YKGC reserves the right to revoke these privileges at any time with or without a fee refund for failure to adhere to the policy and the rules of the Yellowknife Golf Club.

If membership is not maintained by an individual on the wait list, their name will be removed from the wait list.
- When a private golf cart spot becomes available at the YKGC it will be offered to the next person in line on the wait list. If accepted, a New Private Golf Cart Commitment Agreement must be completed and a \$100 non-refundable deposit paid to the YKGC. This deposit will then be applied to the private golf cart fees for the season. This member will have 90 days to acquire a golf cart and provide proof of ownership and insurance to the
