

## YELLOWKNIFE GOLF CLUB COVID-19 PROTOCOLS

### General

- physical distancing must be observed at all times while on the premises, with a minimum 2 metres between individuals
- please wash your hands or use hand sanitizer whenever you can
- no handshaking or loitering around high traffic areas
- employees as well as members/guests are asked to stay home if they show signs of being unwell or symptomatic
- members/guests who show signs of illness will not be permitted to play the course or use the driving range facilities
- we ask that you make an effort to pay by credit /debit card and to avoid cash, or to utilize the account system (loading amounts as desired) in the new point of sale system
- members/guests are asked to observe all signage (related to COVID-19 and anything else) around the golf course, for their safety and the safety of those around them

### Clubhouse (opens June 2<sup>nd</sup>)

- masks are required when not at your table (subject to change in accordance with latest CPHO guidelines)
- social distancing while up and moving within the clubhouse
- two (2) maximum people in washrooms at once
- sanitization station will available upon entry for all members/guests

### Proshop/ Golf Course

- members/guests are asked **not** to report to the golf course earlier than 30 minutes prior to their tee-time
- masks are to be worn inside the Proshop (subject to change in accordance with latest CPHO guidelines)
- a maximum of 5 members/guests in the Proshop at once, and always observe social distancing measures when inside
- shotgun starts will be a go for the season (social distance in effect)
- all members/guests must have a tee-time, no walk-ons will be considered for the course
- groups that are allowing others to play thru are asked to move a safe distance away from any member of the group they are allowing to play thru
- flags are to remain in place and cups will have a device in which to use to safely retrieve and remove your ball without touching the hole or flag

## YELLOWKNIFE GOLF CLUB COVID-19 PROTOCOLS

- all rakes and ball washers will be removed from the course. If you find yourself in the bunker, you may lift the ball, place it on the sand and then use your foot to cover up the mark taken afterwards
- power carts will be return to 2 riders this year. You will be asked to sign our rental agreement stating that you are agreeing to comply with all CPHO orders

### **Driving Range & Practice Green**

- FOB's and bucket codes will be used again this year. The pin pad will be sanitized regularly.
- Buckets & balls will we washed nightly
- If you feel other users are too close to you, we have cleared an area at the end of the range for users to use their own mat while using the driving range
- all pins will be removed from the practice greens
- members/guests are asked to use their own balls on the putting green, have any balls you are using clearly marked with your name or a marking to easily identify it to others

### **Staff**

- employees will have access to protective gloves, masks and sanitizing wipes at all times if required
- staff will increase the frequency of routine cleaning with approved antimicrobial products, sanitization and disinfection of all locations, especially all common and high traffic areas, frequently touched surfaces (including door handles, counters)
- a log of daily cleaning will be kept for records
- all commonly used items by staff (ie. POS systems, computers, pens and phones) must be disinfected between shifts.
- ensure staff can recognize the symptoms of COVID-19 and know how to act responsibly if they detect or exhibit symptoms.
- staff meetings will be conducted in areas that allow for social distancing best practices to be maintained
- Staff will be tasked with encouraging members/guests about physical distancing around the golf course
